Hi Cory,

My name is Jacob Carpenter, and I'm a reporter for the Milwaukee Journal Sentinel. I'm writing to see if I might be able to speak and/or meet with you for an article about the lawsuits you've filed related to the FCRA. I came across some recent court filings that led to my interest, and I wanted to get in touch with you to see if I could learn more about how your lawsuits and the reasons behind them. It seems like an interesting issue you've touched upon, and there's obviously merit to what you're doing given that it looks like Great Lakes is looking to settle its class-action, but I also see there are companies that feel like you're taking advantage of a technicality. I'd really like to hear your side of all this and more about how you got interested in the FCRA issue. If you're able to give me a call ([414-224-2745](tel:414-224-2745)) or shoot me an email, it's really appreciated. Would be willing to travel a little bit to meet you. Hope to hear from you in the next day or so. Thanks in advance.
